

SAT I Prep for 2010 Exams

Due to popular demand, we have now launched the SAT Advanced Practice course. This is a course specifically designed for students who have taken our SAT course, but would like to receive more advanced training in order to aim for an even higher score. The SAT Advanced Practice will be split into 2 sections, Verbal and Math, and students can choose to enroll into either one, or both.

The course is now longer and includes:

- Revision of TPR strategies
- Extra grammar and vocabulary training
- Extra essay prompts for students to utilize
- Drilling difficult questions as well as “KILLER” questions on both verbal and math
- Preparation for advanced math questions that have shown up on recent SAT
